TOGETHER, WE MAKE A DIFFERENCE

Dear Supporters,

At Breathing Together, we are deeply grateful for your unwavering support. Our mission is to deliver comprehensive medical services, including emergency care, patient transfers, medical consultations, awareness and preventative medicine as well as ultrasounds, ECGs, and blood tests. By extending primary healthcare to remote and underserved regions, we aim to make a meaningful difference in the lives of those in need.

SUPPORTING INTERNALLY DISPLACED PEOPLE

This year, we provided essential healthcare to over 1,400 internally displaced individuals. These missions are powered by compassion, resilience, and your generosity.

COLLABORATION WITH ASSAMEH B&B

Our projects focusing on women's health and mother-child support were proudly presented at the French National Assembly on November 26. Together, we are advocating for better healthcare access and awareness.

FUNDRAISING SUCCESS IN GENEVA IN COLLABORATION WITH JOHN PAUL II FOUNDATION

On November 20, 2024, we raised around \$80,000 at our Geneva Fundraising event. This incredible achievement is a testament to our community and the dedication of our multicultural friends in supporting Lebanon's vulnerable populations.
